Hello Parents,

Uintah School District is using Securly to keep students safe on their school-issued devices. As part of our commitment to your child's safety, we're giving all our school's parents access to the free **Securly Home app**.

Download the Securly Home app on or after September 14, 2026.

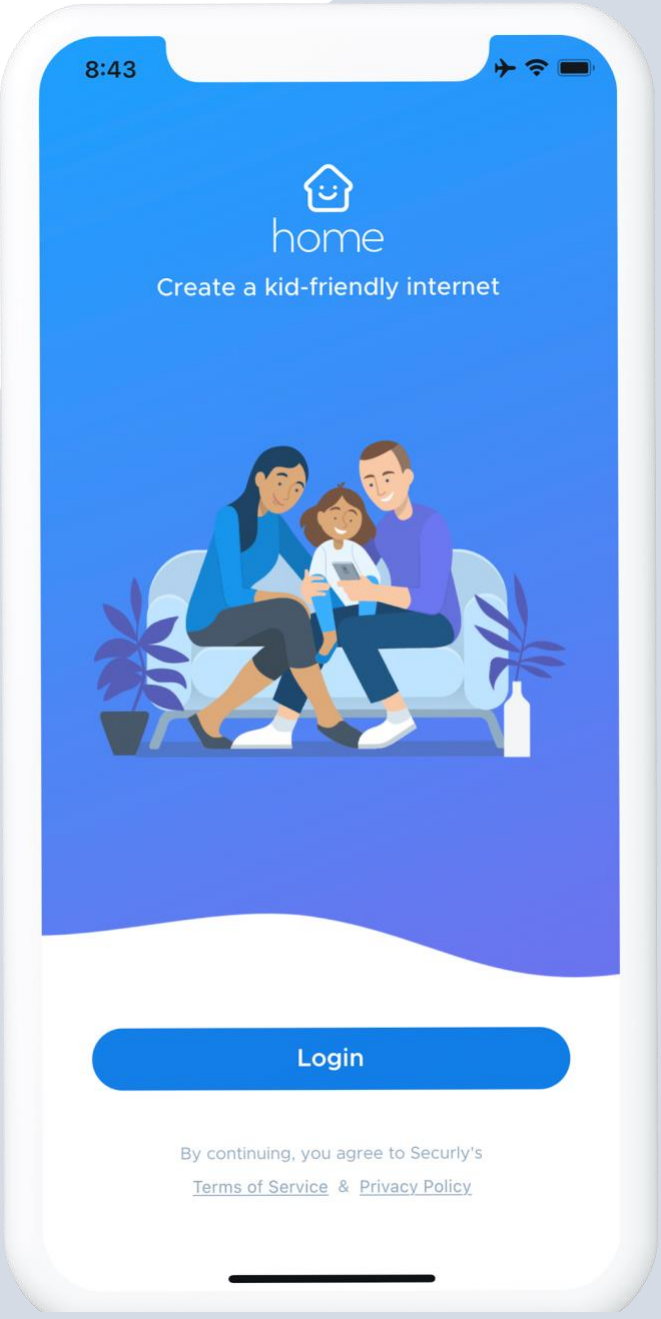

Get started:

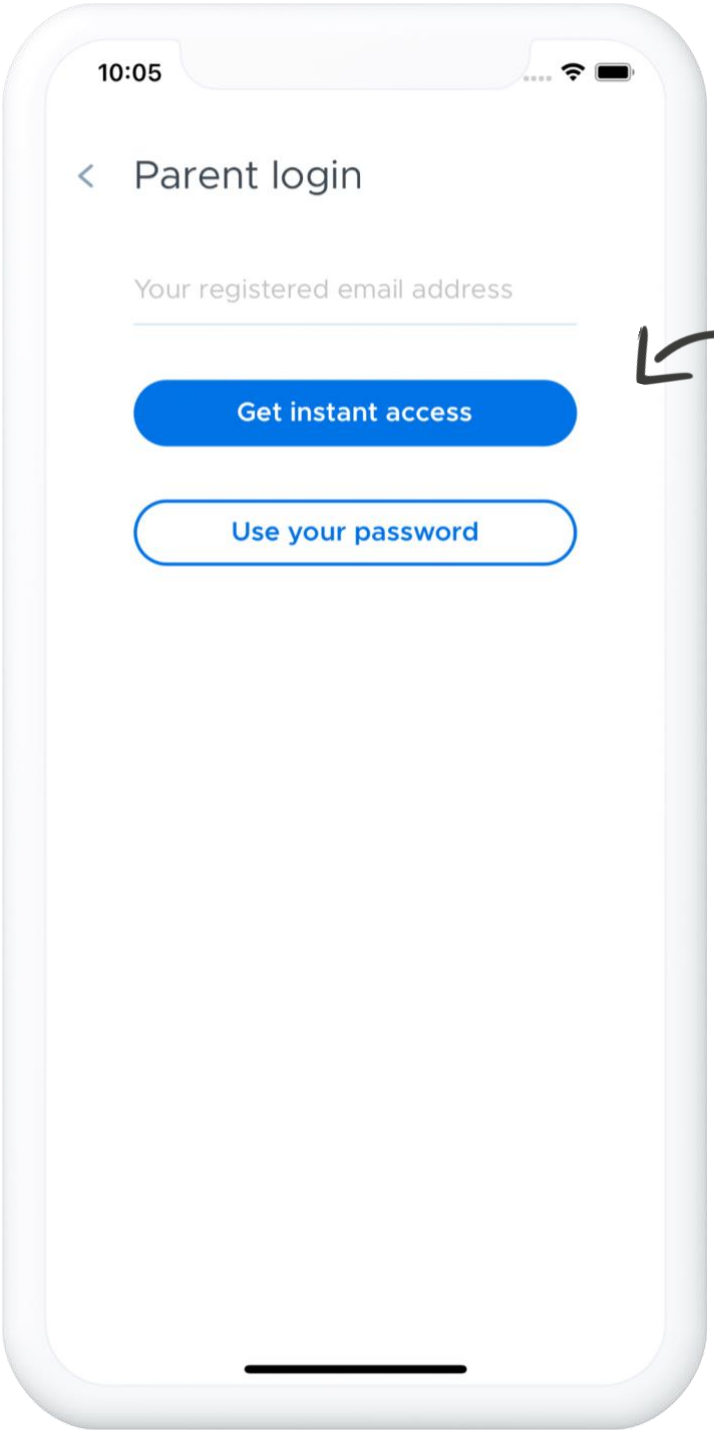

Download the **Securly Home App**

View your child's real-time activity feed, right from the palm of your hand.

With the **Securly Home app**, you'll have a real-time view of your child's activity on their school device. You'll also get weekly emails from Securly with a snapshot report of that week's activity.

Download on the App Store | GET IT ON Google Play

Open the app and tap the **Login button**

Enter the email address you have registered with your child's school and tap the **"Get instant access"** button.

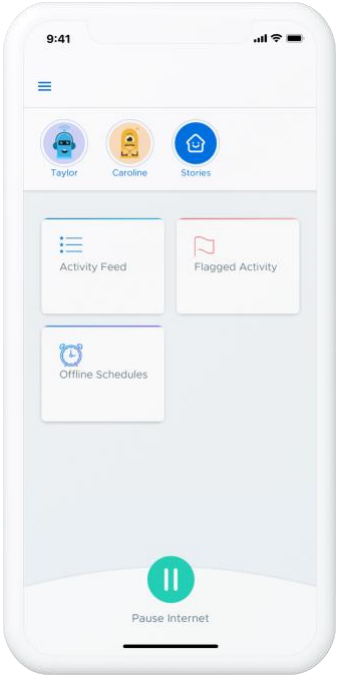

Check your email from your phone, click on the link, and that's it! Your account is ready to go.

Get to know your Securly Home app

Navigate and explore different insights into your child's online activity

Stories

See the quick highlights of what your child has been up to online, updated every 24 hours.

Activity feed

Get a real-time view of your child's online activity.

Rules

Block specific categories such as social media and gaming on your child's school device when it is at home.

Pause internet

Pause internet access on your child's school device when it is at home with the touch of a button.

Flagged activities

The Securly Home app will notify you of any flagged activities pointing to self-harm or bullying related to your child.

Offline schedules

Set offline schedules for your child's internet like dinner and bedtime and Securly Home does the rest.
